Solomon PTO, with the help of our Student Council, is hosting our annual shoe drive through Eco Sneakers. Last year we raised $442 - let’s beat that this year!

Why a shoe drive?
1. Help Solomon raise funds for our Walk-Jog-Roll-a-Thon t-shirts (they will give us money for each pair of shoes!)
2. Help people by providing footwear in developing nations
3. Help our planet by keeping shoes out of landfills by giving them another life

What are we looking for?
- ALL types: Athletic and mixed-use shoes
- Sizes toddler to adult (adult in especially high need)
- Must be a pair

How can You help?
- Look through your closets for any shoes that meet the qualifications listed above and bring them in to school
- Spread the word to family and friends who are also looking for a great cause to donate their used shoes
- Check with any organizations or groups that you know to see if they might collect shoes for you as well to bring back to Solomon

When can I bring my shoes?
- Now! No need to wait! Bring them anytime between now and May 13th (our Walk Jog Roll a Thon)
