

HANNAH G. SOLOMON ELEMENTARY SCHOOL

6206 N. HAMLIN AVE., CHICAGO, IL. 60659
TEL: 773-534-5226 • FAX: 773-534-5167

July 12, 2023

Dear Solomon Community:

Hannah G. Solomon Elementary School's student fees for the 2023-2024 have been voted on and approved by our Local School Council. The fees for all students will be:

- 1 student: \$90 (\$95 after September 1, 2023 or if paying by cash or check)
- 2 students: \$90 + \$60 sibling discount = \$150 (\$160 after September 1, 2023 or if paying by cash or check)
- 3 students: \$90 + \$60 sibling discount + \$60 sibling discount = \$210 (\$225 after September 1, 2023 or if paying by cash or check)

How do we pay student fees?

- Our preferred method of fee payment is with E-Pay. If paying with a credit card, you can pay via [E-Pay](#) (linked here and also available on the homepage of our school website, solomon.cps.edu) as a "One Time Payment".
- If you are paying by cash or check, you may come by Solomon during school business hours (summer availability is listed [here](#)). Starting August 9, our main office is open from 9:00-4:15 daily).

Why do we pay student fees?

Student fees are important to the programming for our school. We rely on student fees to pay for instructional materials that our staff requires during the year, which includes books, consumable workbooks, student magazines, and other requested materials that serve our educational mission. We also use student fees to subsidize events at the school, including guest speakers and school-wide assemblies. 100% of our student fees are reinvested into materials and resources that our students use daily.

Thank you for your support!
