

Gym Shorts

All classes are in the middle of the tumbling unit. This is a comprehensive unit that works not only on tumbling skills but also springboard and rings. At the completion of this unit students will participate in a cooperative learning activity called Titanic and a childhood game called Kick the Can. Sign-up is taking place right now for the CPS Score Spring sports program. The deadline date is March 6th. The Spring Sports offered are boys and girls track and field, girls soccer, co-ed cheerleading, and co-ed flag football. Throughout the 3rd quarter students in grades 3rd – 8th will be participating in fitness testing.

I would like to thank all the dedicated members of the Solomon School Safety Patrol. Their work is greatly appreciated. Safety Patrol is in need of morning patrol members.

The Solomon Soiree is on March 20th. If you are interested contact the Solomon School PTO.
