

Solomon Vision

Perseverance

- Celebrating growth of all kinds for students and adults through positive reinforcements
- Believing through words and demonstrating through action that all students can achieve our expectations
- Demonstrating dedication to being leaders and learners in our community

Teamwork

- Building a community where all adults and students take care of each other
- Supporting students with self-advocacy and agency through the development of their voice

Respect

- Creating engaged citizens who interact respectfully and courageously with all adults and peers
- Communicating clearly and modeling the expectations for students and adults to be successful
- Using common language across the building to support inclusive practices
