

Welcome to 5th Grade News & Views

SEPTEMBER 12, 2019

PLEASE ATTEND

Back to School
Curriculum Night
Tuesday, September 19th.
6:00 PM
See you there!

A Little About Me...

This is my 8th year teaching at Solomon School and my 4th year teaching 5th Grade. I currently hold a Master's Degree in Education with endorsements in English as a Second Language, Middle School Math and Special Education. I believe that there is always something new to learn! I am a teacher, student, and proud mother of three young men, 2 rescue dogs and 1 cat who thinks she's part of the pack!

Questions? Concerns? bjzachar@cps.edu

Please contact me if you need anything at all. I can be reached by leaving a message with the office, notes through "kidmail", or through the email address above. If you'd like to meet in person, please set up an appointment to meet with me either before or after school so I can assure that you get the attention you deserve. Thanks!

WELCOME TO FIFTH GRADE!

Hello,
I am Mrs. Barbara Zachar and I am very excited to have your children in my class this year. This past week we have been very busy establishing classroom agreements, practicing routines, and getting to know each other better. Thank you for all the supplies you have sent to school so far. It is very important for the students to be prepared each and every day, especially as we begin utilize our file folder and notebooks. If you are having trouble finding any of the supplies, please let me know so I can assist in any way I can. If you haven't yet returned the Getting to Know You and Your Child Survey, please do so as soon as possible. Your responses will help me to get to know the 5th graders better. I will also be creating a 5th grade parent email group so I can communicate with all of you more efficiently. I look forward to sharing more about what I expect of the 5th graders at **Curriculum Night on the 19th**. I sincerely consider you a valuable partner in your child's education and hope you can attend.
